Dream **BIG** and Get your Degree!

There are lots of reasons to get your associate degree at PSC — here are just a few.

Job Placement

An associate degree makes it easier to find employment. This is especially true in a tough economy where graduates are competing for the same jobs as candidates without a diploma. Having a degree is a significant advantage.

Financial Payoff

An associate degree often leads to a higher paying job. There is a direct correlation between having a college degree and earning a higher salary.

Transferring Made Easy

Earning an associate degree from PSC saves money, and the transition to a 4-year institution is smoother and easier.

New Opportunities

An associate degree is a great way to start a new career or help with career advancement, and it can be completed in just two years.

Scholarship Opportunity

Are you interested in science, technology, engineering, math, business, or psychology (otherwise known as STEM+ initiatives)?

Then apply now for the Illinois Institute of Technology (IIT) Presidential Scholarship Program to receive \$23,500 in IIT tuition, \$5,000 for housing, and up to \$5,000 in research stipends.

For information on how to apply, visit http://www.iit.edu/undergrad_admission/apply/presidential_scholarships.shtml

Please contact **Carissa Davis**, scholarship advisor at **(708) 709-3562** or cdavis@prairiestate.edu if you have any questions.

Dual Degree Program (DDP)

The DDP is a program between PSC and Governors State University (GSU). This program helps students complete an associate degree, and enables them to transfer seamlessly to GSU to complete a bachelor's degree.

Program Benefits:

- Guaranteed admission to GSU
- Academic advising from both institutions
- GSU's Guaranteed Tuition Plan for Illinois residents locks in the GSU tuition rate for up to four years from date of enrollment in the Dual Degree Program (restrictions apply)
- Opportunity to apply for the GSU Debt Free Promise and other transfer scholarships (if eligible, and only applies to DDP I)
- Opportunity to participate in social and cultural activities at both institutions

For more information, contact the **Counseling and Academic Advising Center** at **(708) 709-3506**.

Join a Learning Community and Start Your Path to Graduation!

Learning Communities offer students the opportunity to combine a skills-based course with a content-based course with the same professors and students in back-to-back class periods during peak scheduling times.

Why should you join a Learning Community?

- Students get the support of two professors for each Learning Community.
- Integrated assignments provide a more efficient way to complete coursework
- Students develop a sense of community with professors and other students through their extended class time together.

Learning Communities offer vital academic resources to help you on your path to graduation.

Policies and Procedures

Release of Information about Students

For students 18 years or older or those attending an institution of post-secondary education, the Family Educational Rights and Privacy Act (FERPA) forbids the College from releasing any information (for example, registration, records, payment, grades, classroom performance, attendance) to anyone other than the student unless the student has signed a “Release of Confidentiality Form” or the parent provides IRS proof of the student as a dependent. The form is available in Counseling and Academic Advising, Enrollment Services, the Business Office, or the Financial Aid Office. For additional information on FERPA, please see the college catalog.

Mission Statement

Prairie State College (PSC) is a richly diverse community college dedicated to student-centered instruction that fosters success in adult, transfer, and workforce education.

How to Enroll

New Student for Credit Courses

Step 1. Apply

Complete an enrollment application online at prairiestate.edu/enroll, or complete one in person in Enrollment Services. If you have questions about the enrollment process, contact Enrollment Services at (708) 709-3516. Allow three days for processing the online application.

Step 2. COMPASS Test or ACT Scores

Students are advised to take the COMPASS Assessment Test for transfer programs and for correct placement in prerequisite courses, or bring in ACT scores that are within the past five years. The COMPASS Assessment Test determines your placement in English, math, and reading. No appointment is necessary. Contact the testing center for times at (708) 709-3558, or visit prairiestate.edu, go to Choose a Link, and click on COMPASS Test.

Step 3. Transcripts

Send your official high school transcripts* to the Enrollment Services Office.

Step 4. Advisor

Meet with an advisor to select courses and complete the registration form. No appointment necessary.

Step 5. Register

Register in person for courses in Enrollment Services.

Step 6. Payment

Pay tuition and fees in the Business Office.

*Official transcripts are not required for enrollment at PSC. It is recommended that official transcripts be received and evaluated as soon as possible to ensure adequate advising and progress towards a degree or certificate.

Para información en español visite la página en de Internet prairiestate.edu/admissions/nuevosestudiantes.html.

Transfer Student for Credit Courses

Step 1. Apply

Complete an enrollment application online at prairiestate.edu, or complete one in person in Enrollment Services. If you have questions about the enrollment process, contact Enrollment Services at (708) 709-3516. Allow three days for processing the online application.

Step 2. Transcripts

Send your official transcripts* and request an evaluation of official transcripts to determine how courses will transfer to PSC.

Step 3. COMPASS Test, ACT Scores, or College Transcripts

Take the COMPASS Assessment Test or bring in ACT scores that are within the past five years, or present unofficial transcripts to an advisor for course placement. The COMPASS Assessment Test determines your placement in English, math, and reading. No appointment is necessary. Contact the testing center for times at (708) 709-3558, or visit prairiestate.edu, go to Choose a Link, and click on COMPASS Test. Unofficial transcripts can be used to determine a preliminary placement and determine the need for COMPASS testing.

Step 4. Advisor

Meet with an advisor to select courses and complete the registration form. No appointment is necessary.

Step 5. Register

Register in person for courses in Enrollment Services.

Step 6. Payment

Pay tuition and fees in the Business Office.

Interested in financial aid? Contact the financial aid office, information online at prairiestate.edu/finaid. *Note: The financial aid process can take up to 30 days.*

How to Enroll

Current Student

Note: Students will not be able to register or drop courses under 100 level through WebAdvisor.

Step 1. Meet with an academic advisor.

Discuss your academic program and select your courses.

Step 2. Register for courses.

Use this schedule to find the courses most convenient and appropriate for you. Fill out the registration form and register in the Enrollment Services Office or register online.

Step 3. Pay tuition and fees.

Please note that registration is not complete until you have made payment arrangements either online or through the Business Office, or have received official notification that you have completed all the steps of the financial aid process. If you were asked to submit additional forms to the Financial Aid Office, please complete them and verify that your award is finalized for registration.

Step 4. Report address and phone number changes.

Visit Enrollment Services. ID required.

Online Registration

Students who have completed at least one semester at PSC can register online. Note: Courses below 100 level and certain programs cannot be registered for online.

Step 1. Select your courses

Select your courses from this schedule or from the PSC Web site by clicking first on WebAdvisor and then on Students (no password required).

Step 2. Register

Click on WebAdvisor, and then on the log in button at the top of the screen where you will enter your user ID and password. You may now begin to register for your courses. If you cannot remember your user ID and password, follow the prompts located in WebAdvisor → Students → User Account or call the Help Desk at (708) 709-7999 for additional assistance.

Step 3. Print

To print your schedule, click file, then print.

Step 4. Payment

You can pay and set up an installment plan online with e-Cashier. See page 10 for more details.

Student with Bachelor Degree or Higher

Step 1. Apply

Complete an enrollment application in person or online at prairiestate.edu. If you have questions about the enrollment process, contact Enrollment Services at (708) 709-3516.

Step 2. Transcripts

Send official transcripts* and request an evaluation to determine completion of course prerequisites. Unofficial transcripts can be used for initial enrollment. Official transcripts should be received and evaluated by the end of the first term of enrollment.

Step 3. Register

Complete registration form and enroll in courses.

Step 4. Payment

Pay tuition and fees.

Payment and Refund Information

Tuition

In-District Residents and Employees of In-District Companies

\$91 + \$13 fee = \$104 per credit hour

Lake County, Indiana, Residents

\$105 + \$13 fee = \$118 per credit hour

Out-of-District Residents

\$258 + \$13 fee = \$271 per credit hour

Out-of-State/International Students

\$331 + \$13 fee = \$344 per credit hour

Registration fee: \$10 each semester

Late Registration fee: \$20 if you register after a course begins

Note: Laboratory fees are additional.

PSC reserves the right to change tuition and fees without notice.

Bookstore Payment Plan

Eligible students may defer part of the cost of book purchase that total at least \$300 and have a Nelnet agreement in place for their tuition. The payment terms for the remaining balance are the same as the payment plan.

Third-Party Payments

The College accepts payments by third parties on student accounts, but any refund due is made directly to the student.

Returned Checks

A service fee of \$25 is charged for each check that is returned by the bank for non-payment. The College also will not accept another check from your account for one year. If checks are not made good within two weeks of notification, your account may be placed with a credit agency for collection. If your check is returned due to stop payment or account closed, the College will not accept checks on your account for 10 years.

Refunds

Refunds are issued by check every Friday after the end of the refund period according to the refund table. No refunds will be paid in cash. If requested, credit card payments may be refunded as a credit to the card used for payment. The card must be presented to the cashier at the time of the request. See chart on next page.

Course Withdrawal Policy

The College has a strict policy governing credit course withdrawal. Students are responsible for withdrawing from credit courses by the withdrawal deadline. Students who request to be administratively withdrawn from a course after the deadline are required to submit a formal, written appeal to the Counseling and Academic Advising Center. Appeals should only be submitted in the event of extreme emergency situations, with adequate support documentation explaining why a student was unable to withdraw from the course before the deadline. Appeals are reviewed by the Dean of Student Services. For classes less than 8-weeks, see prairiestate.edu/tuitionrefunds.

Re-Enrollment Fee

Students dropped for nonpayment can re-register for courses. Re-registration will be permitted based upon course availability. Students will be billed a \$25 fee.

Payment Options

Registration is not final and enrollment is not guaranteed in any course until all costs have been paid in full. Payment arrangements must be made by Dec. 13. You are held responsible for payment unless you drop courses in the Enrollment Services Office by the dates listed on the refund table. If you register on Dec. 14 or later, your payment is due on the day you register.

Payment for tuition and fees are accepted in the Business Office. Payment options include:

1. Cash

Cash payments accepted in person only.

2. Personal check

Make checks payable to Prairie State College. Driver's license or State ID required for all checks.

3. Visa, Discover, or MasterCard

4. Debit Card

5. Tuition Payment Plan

PSC utilizes the services of Nelnet e-Cashier for payment plans. The non-refundable charge for setting up the plan is \$30 and is processed separately. If a down payment is required, it is processed immediately. For more information, visit prairiestate.edu/bus/ssc/factsccashier.html.

You also may pay your tuition in full with a credit card online using Nelnet e-Cashier for no additional fee. Scholarships or financial aid refunds will not be refunded to a credit card. Refunds will be paid by PSC check to the student. For more information see prairiestate.edu/tuitionrefunds.

If you have applied for financial aid, you may be eligible to postpone your first payment. For more information, contact the Financial Aid Office at (708) 709-3735.

Full (100%) Refunds are available for those who withdraw by the end of the first business day after the date a course begins. Refunds are based on the amount paid, not the cost of the class. No refunds are given after these dates. For refund information for classes less than 8-weeks, see prairiestate.edu/tuitionrefunds.

Dropping a Course

If you decide to stop attending a credit course you must officially withdraw from the course. Students can drop a course in Enrollment Services or on WebAdvisor. Courses dropped on WebAdvisor must be done by course refund date (See Refund Table above). For more information, contact the Enrollment Services Office at (708) 709-3516.

Audit Policy

If you aren't concerned with receiving college credit, you may take a course as an auditor. No letter grade is given, and you'll receive no academic credit. Consult the registration calendar for audit deadlines. For information, call the Enrollment Services Office at (708) 709-3516.

Students who wish to audit a course need to comply with the following procedure:

1. Register for the course in question.
2. Pay all applicable tuition and fees.
3. Complete an audit request (student petition) form, available in the Enrollment Services.

Some exclusions apply.

Course Cancellations

The College may change course offerings during the registration period. Occasionally, a course is cancelled if there are not enough students enrolled. If this happens, the College will do everything possible to notify you before the first class meeting. You will have the option of registering for another course or receiving a full refund.

Cooperative Agreements

If your local Illinois community college district does not offer a program that is offered by PSC, you may be eligible to receive assistance from your district's community college. You must obtain a "Cooperative Agreement" form from your local community college. If approved by your community college, you must present the signed form to PSC at registration, and you will be billed at PSC's in-district rates. For more information, contact the Enrollment Services Office at (708) 709-3516.

Clean Air / Smoke Free Environment

PSC is committed to enhancing the environment on campus. As part of that effort, smoking guidelines are in effect. These guidelines provide an improved quality of life for all students, faculty, staff, and visitors. The guidelines are aligned with the state law, Smoke Free Illinois Act. Smoking is not permitted anywhere inside College buildings.

- There are five designated smoking areas on campus. Smoking is only allowed in those areas. Individuals smoking outside of the designated areas are subject to the following:
1. First offense: Warning issued by Campus and Public Safety
 2. Second offense: \$100 fine or option of attending Tobacco Free Class (2 hours)
 - Failure to pay fine or attend class will result in a block on student record impacting all student services including registration.
 3. Third offense: \$100 fine
 - Failure to pay fine will result in a block on student record impacting all student services including registration.

Enrollment Residency Information

All credit students are required to certify their permanent residency, which is used to determine the applicable tuition rate. To be classified as a resident, students must reside in district for at least 30 days prior to start of the semester.

PSC's district includes: Beecher, Chicago Heights, Crete, Flossmoor, Ford Heights, Glenwood, Homewood, Matteson, Monee, Olympia Fields, Park Forest, Richton Park, Sauk Village, South Chicago Heights, Steger, University Park, and portions of Country Club Hills, Hazel Crest, Lynwood, and Tinley Park. To verify your address is in district, contact the Enrollment Services Office at (708) 709-3516.

Employment In-District

If you are employed on a full-time basis by an in-district employer but live outside of our district, you may attend PSC at the lower in-district tuition rates. A signed affidavit from your employer is required. For more information, contact the Enrollment Services Office at (708) 709-3516.

Orientation

All new students are required to attend an Orientation Session. For a complete listing of dates and to register visit prairiestate.edu/counselingadvising/orientations.html or from the Choose a Link menu, click on Counseling and Academic Advising then New Student Orientation.

Special Admissions Programs

The Dental Hygiene, Nursing, Paramedicine, and Surgical Technology programs have special admission requirements. For more information, contact the Enrollment Services Office at (708) 709-3516.

Equal Opportunity/Affirmative Action

PSC does not discriminate on the basis of race, religion, color, age, disability, ancestry, marital status, military discharge status, national origin, veteran status, sexual orientation, or other non-merit factors in educational programs or employment practices. Inquiries may be directed to the Affirmative Action Officer.

Tuition Free Course for High School Seniors

High school seniors may take one college credit course at PSC with no charge for tuition. To be eligible, you must attend a high school in the PSC district, have a GPA of at least 2.5 on a 4-point scale, and have permission from a high school authority. The free course must be taken the summer before senior year or during senior year (fall or spring semester) of high school. Students who earn a grade of "B" or better in their first free PSC course may be eligible for a second free course. Students who have graduated from high school are not eligible for this waiver. Restrictions apply. For more information, contact the Counseling and Academic Advising Center at (708) 709-3506.

Tuition for Senior Citizens

Senior citizens (65 years of age or older) who reside in PSC's district are permitted to enroll in any credit course (on a graded basis only) offered at PSC at no charge for tuition. Payment will be required for any necessary books, laboratory fees, registration fees, or materials used in classes. If you wish to audit a course, full tuition payment is required. You must present proof of age at the Enrollment Services Office. For more information, call (708) 709-3516.

Recycling Statement

In compliance with Illinois Public Act 86-1363, the board of trustees supports a waste reduction program for PSC, which shall include source reduction, recycling, and the purchasing of products with a recycled content. Faculty, staff, and students of the College shall be expected to comply with this program.

Financial Aid

How to Apply

Step 1. Complete the Free Application for Federal Student Aid (FAFSA)

Apply online at fafsa.gov. Note: You must use the previous year's federal income tax return to complete the FAFSA. The school code for PSC is 001640.

Step 2. Notification from Department of Education

If you listed PSC's school code in your FAFSA, the college's Financial Aid Office will receive your report in 14 days. This report is used to confirm receipt of your FAFSA with the Department of Education.

Step 3. Notification from PSC

Once PSC receives your FAFSA from the Department of Education, a letter will be mailed to you indicating the documents needed to complete your financial aid file.

Step 4. Award Letter

Once all required documents are completed and submitted to the Financial Aid Office, your award letter will be issued in two to three weeks. Students are notified via e-mail that the award letter can be viewed in their WebAdvisor account. First time students also have an award letter mailed to their home.

Withdrawals and Attendance

Title IV funds are awarded under the assumption that the student will attend school for the entire period for which the assistance is awarded. If a student withdraws, the student may no longer be eligible for the full amount of Title IV funds.

If a recipient of a Title IV grant or loan funds withdraws from school after beginning attendance, the amount of a Title IV grant or loan earned by the student must be determined. If PSC has disbursed more aid than the student has earned, the aid needs to be returned to the Title IV program.

"F" Grades at End of semester

If a student earns a passing grade (A, B, C, or D) in any course and also earns an F, the college presumes that the he/she completed the courses in that semester. However, when a student completes the semester with no grades other than Fs, then we presume he/she unofficially withdrew. At PSC, we take attendance at midpoint of the semester; therefore, the midpoint of the period is the student's withdrawal date.

Available Grants and Loans

For students who qualify, the following federal and/or state programs may provide financial assistance to help fund college expenses:

- Federal Direct Plus Loan
- Federal Direct Student Loan
- Federal Direct Unsubsidized Loan
- MAP
- Pell Grant
- Supplemental Educational Opportunity Grant (FSEOG)
- Work Study

Student Loans

Per the Federal Default Management Guidelines for student loans, all first time students must complete six credit hours at PSC with a 2.0 cumulative grade point average.

Students who have earned a bachelor's degree or professional degree are not eligible for grants. Student loans are available after completing six credit hours at PSC with a 2.0 cumulative grade point average.

Satisfactory Requirements

You must maintain academic progress as evidenced by passing (grades of A, B, C, or D) at least 67 percent of the courses you attempt within your certificate or degree and obtaining an overall 2.0 cumulative grade point average in all PSC coursework. If you receive a grade of I, F, W, or Audit, you have not completed the course. You may take a maximum of 90 credit hours to be eligible for financial aid. This includes credit hours transferred to PSC from other institutions and all PSC coursework. Academic progress is reviewed each semester.

Veterans

PSC offers a supportive environment for veterans. Many of PSC's faculty and staff are veterans and are willing to assist veterans through their educational journey.

Veterans receive one-on-one advising from the beginning and support throughout the entire admissions process. Every semester, veterans are eligible for early registration and always receive in-district tuition rates, regardless of where they live.

PSC accepts several programs that cover tuition and fees. The College assists veterans in making the most of these benefits.

For more information, contact PSC's coordinator, veterans affairs at cdavis@prairiestate.edu or (708) 709-3562.

Veterans Benefits

The federal and state governments have several programs available to assist veterans, spouses, and their dependents in meeting their educational objectives. Assistance includes:

- Illinois Veterans Grant
- Illinois National Guard Grant
- Illinois MIA/POW Scholarship
- Montgomery GI Bill Educational Benefits (Chapter 30, 33, 1606, and 1607)
- Federal Vocational Educational Benefits for Disabled Veterans (Chapter 31)
- Federal Education Benefits for Dependents of Veterans (Chapter 35)

Veterans who are not sure what their benefits are should contact the U.S. Department of Veterans Affairs office in St. Louis at (888) 442-4551; follow the menu instructions to be connected with a counselor. Information can also be found at gibill.va.gov.

Alex and Austin Raske, PSC students, Veterans, and Brothers

Alex and Austin Raske are current PSC students, veterans, and brothers. They are in their second year at PSC and both are members of the Student Veteran Club.

Alex, who is in the criminal justice program, plans to graduate this spring. Before he leaves, he wants to help make a difference for future student veterans.

"After some of my struggles transitioning from the military to school, I really wanted to get involved with the Student Veteran Club to try to help other veterans," Alex said. "I want to help them have a smoother transition." This year, Alex is running for club president.

Austin, who is in the fire science program, also plans on graduating this spring. Austin is a general member of the club and helps support his brother with some of the goals he wants to accomplish. They also supported each other in the process of transitioning from veterans to students.

"It is more complicated to go to school when you are a veteran because you not only have to work with the school, but you also have to work with the U.S. Department of Veterans Affairs. So, there is an extra entity that needs to be navigated," he said. "However, I think the process is getting easier and Prairie State's veterans affairs has helped."

Student Services

Counseling and Academic Advising

The Counseling and Academic Advising Center can help you plan your educational future.

For more information call (708) 709-3506. Services available include:

- **Pre-Enrollment Counseling:** Advisors can assist you in deciding which program fits your needs.
- **Academic Advising:** Advisors can help you map out your academic plan while taking classes at PSC.
- **Personal Counseling:** Licensed professional counselors are available to listen to your personal concerns and to provide confidential assistance for resolving your personal problems.
- **Transfer Advising:** Our staff is trained to help students choose the proper classes for future transfer towards a bachelor's degree. Be sure to also take advantage of the many transfer oriented resources we provide, including college fairs, workshops, campus visits by four year universities, and our resource library. Online resources are available at: prairiestate.edu/counselingAdvising/transferstudents.

Career Development Services

The office of Career Development Services provides students and PSC graduates with a wide-range of services to make successful career choices. For more information call (708) 709-3755. Services include:

- **College Central Network:** A free online job listing source for employment opportunities in northern Illinois. Job seekers can post their résumé for employers to review.
- **Job Fairs:** Held in October and April.
- **One-on-One Consultation:** By appointment, a career advisor is available for consultation to provide job search techniques, critique résumés, and develop a job search plan.
- **Day and Evening Workshops:** Several times a year, free professional development workshops are held on a variety of topics.

New Directions for Returning Adult Students

PSC understands that starting or returning to college as an adult can be overwhelming. Learn more about available options at the New Directions for Returning Adults Information Session: **Tuesday, January 10, 2012 at 6 p.m., in the Conference Center.** For more information, call (708) 709-3603 or visit prairiestate.edu/returning.

Services for Students with Disabilities

PSC is committed to providing reasonable accommodations for enrolled or admitted students with documented disabilities, under Section 504 of the Rehabilitation Act of 1973 and Americans with Disabilities Act of 1990 (ADA). The office seeks to maintain academic standards while providing equal access and support services to students who are able to benefit from college-level course work, have the commitment to succeed, and have a documented disability.

A variety of reasonable accommodations are available on a case-by-case basis to students with disabilities. Special parking privileges and elevator service also are available. Students with disabilities who need accommodations can learn more by contacting the Director of Disability Services at (708) 709-3603. Early arrangements will enable PSC to provide comfortable and supportive classrooms from the first day of class.

Library

The Library is designed to encourage independent inquiry by teaching users how to find and evaluate information. Library resources include materials in different formats to meet the curriculum needs of students and the information needs of the district's population. For more information, call (708) 709-3552.

Equipment available:

- DVD/VCR (Users must provide their own headsets.)
- Microfiche/microfilm machine
- Photocopiers
- Library research computers

Online resources

- Web site: library.prairiestate.edu
- Metropolitan Library System's Online Catalog providing access to materials locally and statewide databases providing full text articles from magazines, journals, and newspapers. Note: Off campus use of selected databases is available to students.

Student Services

Student Success Center

The Student Success Center (SSC) provides academic support to all students and faculty intent on improving student success. For more information, call (708) 709-3663. Services are free to all PSC students and include:

- **Free Tutoring:** The SSC staff is made up of professional tutors with at least a bachelor's degree in most disciplines and peer tutors who provide individual or small group tutoring to PSC credit students. Students need a PSC ID to check in for tutoring.
- **Open Computer Lab:** The open computer lab contains 50 PCs with Internet access, word processing, and other course-specific programs. No computer experience is needed to use the lab facilities; assistance always is available. Students need a PSC ID to use the lab. There is an additional cost for printing.

Bookstore

Visit yourschoolyourbookstore.com to purchase books in advance. Items available for sale on campus include:

- Textbooks
- Pens, notepads, and other supplies
- Snacks
- College Apparel

Textbook Rental

A textbook rental program is available for select book titles. Visit yourschoolyourbookstore.com for more information.

Cafeteria

The Pioneer Café is located on the first floor of the main building and offers a diverse menu of both hot and cold items. Vending machines with beverages and snacks are located in all PSC buildings.

Childcare

The Children's Learning Center is a licensed facility that provides quality childcare for children ages 24 months to 12 years old. Full and regularly scheduled part-time care is offered to accommodate the scheduling needs of students, faculty, staff, and the community. The center accepts subsidized payments from outside agencies such as Action for Children and Child Care Initiatives. Advance registration is required. See the Children's Learning Center Web page at prairiestate.edu/clc to sign up for the waiting list. For more information, call (708) 709-3725.

ITR Help Desk

The ITR Help Desk provides students, faculty, and staff assistance with PSC equipment or software. For more information, call (708) 709-7999.

Maps and Directions

Visit prairiestate.edu, and click on Maps and Directions.

Parking

All vehicles parked on campus property have to register with the Campus and Public Safety Department. A parking decal is issued for each registered vehicle and must be displayed while parked in parking lots A or C. Lot D is designated for Conference Center events and visitor parking. There is no student parking in the Children's Learning Center lot. Parking applications are available to currently registered students in the Campus and Public Safety Department.

Failure to display a Prairie State College parking decal in any vehicle parked in the restricted lots will result in a parking citation with a \$15 fine. See the Campus and Public Safety Department for further rules and regulations. For more information, call (708) 709-3756.

Vehicle Assistance

The Campus and Public Safety offers motorist assistance services including jump starts, lockouts, or motorist emergency notifications. For more information, call (708) 709-3756.

Student IDs

Campus and Public Safety Department issues identification cards to all students. There is no charge for the first card, and replacement cards are \$5. The ID card must be carried at all times and is to be surrendered on demand to any College official. For more information, call (708) 709-3756.

TRiO

The TRiO Student Support Services (SSS) program provides education services to low-income, disabled, and/or first generation college students. The program provides mentoring, builds academic and social networks, and facilitates the transfer process to four-year colleges and universities. SSS is funded by the U.S. Department of Education at \$220,000 annually. To take advantage of these services or for more information, call (708) 709-7933 or e-mail meeks@prairiestate.edu.

Student Life

Student Life and Multicultural Affairs

The Office of Student Life and Multicultural Affairs encourages all students to practice a holistic lifestyle, participate in individual and collective social/cultural events, take leadership, and engage in civic activities. The charge of the office is the retention of underserved populations. For more information, call (708) 709-3503.

Si desea información en español sobre nuestros programas, por favor de comunicarse con Esther Pacheco al (708) 709-3503, o con Mildred Andaluz al (708) 709-3567.

Bilingual Advising

PSC provides an opportunity for Spanish speaking families to be involved in the college enrollment process. For more information, call (708) 709-3567 or e-mail mandaluz@prairiestate.edu.

Student Government Association

The Student Government Association (SGA) is the governing body of PSC students and student organizations. The SGA develops a structure of government, a fiscal policy, and other rules and regulations to establish clubs on campus. Visit Room 1260/1261 or e-mail cballom@prairiestate.edu.

Athletics

PSC offers sports for both men and women. For more information, visit prairiestate.edu and click on "Athletics and Physical Education" from the "Choose a Link" menu or call (708) 709-3950.

Learning Achievement Center

The Learning Achievement Center (LAC), located in Room 1140, offers many services for students including:

- 18 state-of-the art PC's (6 computers with HAWKES software)
- Quiet atmosphere
- Resource loans (laptops and scientific calculators)
- Library (periodicals and books)
- Headphone rental
- Conference Room rental (up to six students)

The hours of the LAC are M-F 8 a.m. to 4 p.m.

Protégé

Program participants benefit from personalized academic advising, on-and off-campus seminars, workshops, conferences, college trips, networking, and mentoring opportunities. Additional resource offerings include textbook, laptop and calculator loans. For more information, call (708) 709-3912 or e-mail ssmith@prairiestate.edu.

Student Activities

The Student Leadership Center, located in Room 1260, serves as the hub for the student newspaper and clubs including:

- All Latin Alliance
- Anime Club
- Art Club/Exposure Magazine
- Auto Club
- Black Student Union
- Campus Activities Programming Board
- Dental Hygiene Club
- Film Club
- Math Club

- Protégé
- Student Government Association
- Tennis Club

For more information, contact Helen Manley, coordinator of student life, at (708) 709-3910 or e-mail hmanley@prairiestate.edu.

Health Promotion Programming

Health Promotion Programming, an outreach service of PSC's Student Life and Multicultural Affairs, strives to create a campus culture in which members make informed and responsible decisions about personal and community health. It is our commitment to provide resources that will help students develop life skills to assist them in making responsible choices about health-related behaviors. For more information, call (708) 709-7988 or e-mail ddieudonne@prairiestate.edu.

Transfer Information

The Counseling and Academic Advising team is your connection to making a successful transfer to a four-year college or university to earn your bachelor's degree. Be sure to take advantage of the workshops, college fairs, admission visits, and resources to assure a successful transfer. Online resources are available at: prairiestate.edu/counselingAdvising/transferstudents.

PSC is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement among the more than 100 Illinois colleges, universities, and community colleges. Participating schools agree to accept a "package" of IAI general education courses instead of their comparable lower-division general education requirements. For more information, visit the IAI Web site at itransfer.org, or call the Counseling and Academic Advising Center at (708) 709-3506. The following IAI codes identify qualifying courses:

COMPASS Testing

The College requires assessment testing to measure students' English, reading, and mathematics skills. It is the policy of the College that students pursuing transfer and all degree programs achieve minimum scores required for entry into courses above the 100 level, or complete the necessary developmental coursework. For more information on COMPASS, call (708) 709-3558.

Testing Schedule

For a complete schedule, visit prairiestate.edu and from the Choose a Link menu select COMPASS Testing.

Who takes the COMPASS Test?

Students are advised to take the COMPASS Assessment Test for all transfer programs and for correct placement in prerequisite courses.

Note: ACT scores may be used in place of COMPASS. An ACT score of 22+ in reading **and** a 17+ in English places a student directly into English 101. An ACT reading score of 22+ exempts a student from having to take the COMPASS reading test. Math ACT placement is determined by a student's academic program. Students should meet with an academic advisor for further information.

Do students who transfer from other colleges take COMPASS?

Students who previously have completed an English and/or math course with a "C" or better from an accredited college or university are exempt from COMPASS testing. However, official transcripts as well as completion of a Program Evaluation Form are required of all transfer students as part of the application process. Students who took the COMPASS test at another college within the past year may submit an official score report to the Director of Testing.

Note: PSC also requires an essay for English placement.

Students who place into Reading or English 098 are required to complete these courses first with at least a grade of "C" or higher. Courses below the 100 level offer institutional, non-transferable credit, and do not count toward a degree or certificate. In addition, the grades are not included in the cumulative grade point average (GPA).

The Day of the Test

Location: COMPASS Testing Center Room 2505

- Do your best when taking the COMPASS test. The results determine whether placement in a developmental course is required, or whether you register immediately for college-level courses.
- A photo ID is required to take the test.
- A PSC student ID number is required to take the test.
- A calculator is permitted (but optional) for the math portion.
- Allow three hours to complete the test.
- Children and guests are not allowed in the COMPASS Testing Center.

After the Test

Within three days, your scores will be forwarded to the Counseling and Academic Advising Center, where you will meet with a member of the advising team to review your scores and select your courses.

Pre-COMPASS Essay Workshops

PSC offers pre-COMPASS Essay Workshops to assist individuals in preparing for the English portion of the COMPASS test. At this workshop, an English instructor will discuss:

- best practices for taking essay exams;
- essay structure and development;
- stages of the writing process; and
- general advice on grammar.

No reservations are needed. Check prairiestate.edu/ss/workshops.html for workshop times and locations.

Unique Learning Opportunities

Honors Program

Students who want to enhance their college experience can take courses in the Honors Program. Honors classes offer a unique learning experience, stressing depth of coverage, discussions, and creative assignments. Honors classes are graded according to the same standards used for other sections of the course. Students can take most of their general education requirements in Honors courses.

For more information, contact Sarah Hein at (708) 709-3508 or shein@prairiestate.edu; Dr. Loretta Kucharczyk at (708) 709-3622 or lkucharczyk@prairiestate.edu; or Maurine Stein at (708) 709-3771 or mstein@prairiestate.edu.

Honors credit may be available for individual students in some math and science courses. Students desiring Honors credit will be assigned an individual project. Contact your instructor to find out whether this option is available in your class.

Learning Communities (LC)

LC courses bring students and professors together as a community of learners. Together they explore two courses and find connections between them. Some assignments count in both classes. Students often report greater satisfaction from LC courses.

For more information, contact Loretta Kucharczyk at (708) 709-3622 or lkucharczyk@prairiestate.edu or Sarena Lee-Schott at (708) 709-3665 or slee@prairiestate.edu.

Service Learning

Service learning is a method of teaching and learning that combines classroom instruction with hands-on experience in the community. There are several service learning opportunities available each semester. Service learning can be applied across all subjects and can involve a single student or group of students, a classroom, or an entire school.

For more information, contact the Office of Student Life and Multicultural Affairs at (708) 709-3503.

Study Abroad

In association with the Illinois Consortium for International Studies and Programs (ICISP), PSC is able to provide students with opportunities to study abroad and experience different cultures. ICISP is a consortium of 40 community colleges and small liberal arts colleges that offers a semester-long summer study abroad program several countries including Costa Rica.

Note: Students do not have to be enrolled in Spanish to participate in the Study Abroad program. For more information, contact Teresa McCann (708) 709-3643 or tmccann@prairiestate.edu.

Final Examination Schedule Spring 2012

Following is the final exam schedule for all 16-week, Late Start, and 2nd 8-week classes.* All students are expected to take their final exams at the dates and times when they are scheduled. Provisions to take a final exam on an alternative day or time or to take a make-up exam will be made on an individual basis and only if a faculty member agrees that a make-up exam can be administered. Unless notified otherwise by their professor, students will take their final exams in the room where the class normally meets. Examinations for courses normally meeting for more than one period or on more than one day will be given at the time corresponding to the first day and the first period when the course usually meets.

English

Students are required to take the COMPASS test prior to placement in English. Students whose scores indicate that they need additional work before taking college-level English courses are placed in ENG 098 or 099, depending on their scores. To register for the COMPASS test, contact the Counseling and Academic Advising Center. Students who place into ENG 098 should also register for COL 101 - College Success Seminar.

Prairie State College Foundation Scholarships

Who helps a PSC student pay for college?

The PSC Foundation—with the help of generous donors in the community.

When students don't qualify to receive federal and state grants, the PSC Foundation provides scholarship assistance for hundreds of PSC students each year who need assistance with tuition, fees, and textbooks.

Generous community members—individuals, families, businesses, and organizations—invest in PSC students' potential, yielding dividends of hope to PSC students who are struggling to attain their educational dreams.

Our goal is to help all qualified applicants, pending available funds. By awarding partial scholarships, the PSC Foundation assists as many students as possible.

Scholarship recipients are encouraged to give back by volunteering on campus or in the community.

All scholarship recipients must pay some part of their own educational costs.

Who receives scholarship help?

- **Workers** whose **low wages** are just high enough to disqualify them from federal help
- Single parents whose **children's school costs take priority** over their own
- High school graduates whose **parents lost their jobs**
- **Veterans** whose benefits don't cover textbooks
- **GED students** who can't afford the test fee
- **Heads of households** who must choose between paying a utility bill or tuition for a college class that keeps their job skills current
- Families with **uninsured medical bills** that wipe out college savings
- **Unemployed residents** who need retraining
- Those whose college savings were needed for a family **emergency**
- Students who lack the tuition, fees, and textbooks to make their educational dreams come true

Apply for a PSC Foundation scholarship

- **File FAFSA** (visit www.fafsa.ed.gov) and complete the process.
- **Register** for classes.
- **Download** scholarship **application** form from prairiestate.edu/finan/foundscholshell.pdf, and return completed form to Financial Aid by deadline. (Awards will be made until all available funds are expended).
- **Applicants must have some means to pay balance due** (i.e., Nelnet payment plan, job, savings, loan, etc.) because scholarships will cover only partial costs.

For more information, contact Carissa Davis, scholarship advisor, at (708) 709-3562 or cdavis@prairiestate.edu.

PSC Students Say "Thanks"

Your help was my last hope in trying to get the textbook.

We have been pretty broke and living from check to check.

During one of the most difficult times of my life, you have given me hope.

I graduate in May, and plan to work as an E.R. nurse.

Thanks to the PSC Foundation ... I will be able to continue my education.

PSC Foundation Mission Statement

The PSC Foundation is a non-profit organization committed to excellence in education by promoting PSC and enhancing the opportunities for students. The Foundation works to:

- increase public awareness of the College's central role in the well-being of our community and its citizens;
- seek financial support to fund student scholarships, attract and retain able faculty and staff, and provide for the College's growth and development; and
- identify potential board members, involving those who bring leadership, insights, and new contacts to the Foundation.

The PSC Foundation knows that every student has the potential to achieve career distinction and make valuable contributions in both the community and the workforce.

Registration Form for Credit Courses

\$10 non-refundable registration fee per semester.

Complete this form before registering on campus. New students **must** register in person, after meeting with an advisor/counselor for academic advising assistance and approvals. Continuing students may register in person, or on WebAdvisor at prairiestate.edu but are encouraged to seek advising assistance to ensure accuracy of course selection. All students are invited to visit the Counseling and Academic Advising Center. Call (708) 709-3506 if you have any questions.
