

ART/ART HISTORY MAJORS (Suggested Associate in Arts Degree Curriculum)

This worksheet is designed to help students select courses which are likely to apply to a **major in ART, ART HISTORY, or ART & DESIGN**. These suggested courses satisfy requirements in the Associate in Arts degree program at Prairie State College and provide the basis for transferring to a four-year institution. This program meets the guidelines of the **IAI (Illinois Articulation Initiative) Baccalaureate Major Panel for Art**. Students should obtain a copy of the Prairie State College **Associate in Arts Degree Worksheet** and should visit the IAI website at www.iTransfer.org for more information.

Illinois colleges and universities offer two different bachelor's degrees in Art: the professional Bachelor of Fine Arts (B.F.A.) and the Bachelor of Arts (B.A.) with a major in Art. In general, because the B.F.A. degree prepares students for graduate school, it requires 70 or more semester credits of art courses, while the B.A. degree (major in Art) requires about 40 to 50 semester credits of art courses. At some schools, a B.A. degree requires competency in a foreign language, while the B.F.A. usually does not. **PORTFOLIO REVIEW:** Students planning to pursue a baccalaureate degree should be aware that **transfer admission to art-related programs is competitive** and **most schools require a portfolio review** for admission to B.F.A. programs, or for registration in a second studio course in a medium and/or for scholarship consideration.

(**Portfolio Guidelines:** IAI provides sample guidelines for preparing portfolios. Go to www.iTransfer.org. Click on IAIMAJORS. Click on ART. Click on ART A.A. IAI RECOMMENDATIONS. Under ART CORE COURSES, find link for ART PORTFOLIO REVIEW).
