**2008-09**  
**ASSOCIATE IN ARTS & ASSOCIATE IN SCIENCE DEGREES**  
**Transfer Program Worksheet**

*(Requirements effective for students enrolling at PSC Summer 2008 and thereafter)*

**THESE DEGREES MEET THE GUIDELINES OF THE ILLINOIS ARTICULATION INITIATIVE:**

The Associate in Arts degree focuses on the arts, humanities and social science. The Associate in Science degree places special emphasis on mathematics and the sciences. Both degrees provide an excellent educational foundation for those who plan to transfer to an upper-division school and major in any of the numerous curricula available in higher education. Because of the variety of programs/majors available in higher education in Illinois and other states, most students require advisement to carefully plan the initial two years of college education. Students are strongly encouraged to consult with counselors and advisors in the PSC Counseling & Advising Center (or with the university where they expect to transfer) for information regarding the most appropriate courses to take while at Prairie State College. Students may complete freshman and sophomore level course work for most baccalaureate majors at Prairie State College prior to transfer.

**PSC GRADUATION REQUIREMENTS FOR THE A.A. & A.S. DEGREES:**

- \_\_\_\_\_ 1. Enrolled at Prairie State College for the **two semesters immediately preceding** graduation and successfully **completing at least 15 semester hours of credit at Prairie State College** (excluding proficiency credit).
- \_\_\_\_\_ 2. Completed 62 semester hours of college credit as specified in the AA/AS degree requirements, including the Transferable General Education Core Curriculum of 37-41 credits.
- \_\_\_\_\_ 3. Attained a minimum cumulative Grade Point Average of 2.0 on a 4.0 scale in all Prairie State College Courses. **CURRENT PSC CUMULATIVE GPA:** \_\_\_\_\_ after \_\_\_\_\_ credits.
- \_\_\_\_\_ 4. Filed the appropriate evidence of high school graduation or GED certificate in the Office of Admissions.
- \_\_\_\_\_ 5. Satisfied the U.S. and State of Illinois Constitution requirements by submitting a high school transcript that proves the test was successfully completed in high school, or by taking POLSC 140 or 152, or a proficiency exam.
- \_\_\_\_\_ 6. File a **Graduation Petition Form**, and pay the **\$20 Graduation Fee**, in the Office of Admissions. **Deadline for Filing:** October 1st for December graduation, March 1st for May graduation, July 1st for August graduation. *(December, May & August candidates may choose to participate in the annual May Commencement Ceremony. Deadline to apply for ceremony is March 1<sup>st</sup>)*

---

*Please note:*

**DUAL DEGREE GRADUATION REQUIREMENT:** Students who wish to receive both the Associate of Arts and the Associate of Science degrees must complete an additional 12 credit hours in the second concentration area that is selected.

**REQUEST FOR ALTERATION OF GRADUATION REQUIREMENTS:** Any petition for alteration of graduation requirements must be submitted to the Office of Admissions and Records on a Student Appeal Form **at least one semester prior to graduation**.

**FOREIGN LANGUAGE REQUIREMENTS:** While few baccalaureate institutions require a foreign language in their campus-wide general education requirements, competency through two, three, or four college semesters (or high school equivalent) in a single foreign/second language is required for the Bachelors degree at some universities. Thus, community college students who intend to transfer should plan to complete the foreign language courses required by their intended institution prior to transferring.
