

ENGLISH/LITERATURE Majors (Suggested Associate in Arts Degree Curriculum)

This worksheet is designed to help students select courses which are likely to apply to a **major in ENGLISH/LITERATURE**. These suggested courses satisfy requirements in the Associate in Arts degree program at Prairie State College and provide the basis for transferring to a four-year institution. This program meets the guidelines of the **IAI (Illinois Articulation Initiative) Baccalaureate Major Panel for English**. Students should obtain a copy of the **Associate in Arts Degree Worksheet** and should visit the IAI website at www.iTransfer.org for more information.

Four-year degree programs in English emphasize study of literature and literary criticism. Specializations in creative and/or technical writing prepare a student for certification as a high school English teacher as well as for a wide range of professional writing jobs. An English major is considered good preparation for some professional programs. Students seeking a bachelor's degree in English are strongly encouraged to complete the A.A. degree prior to transfer. Since all literature courses require substantial formal writing, it is highly recommended that students complete the two-course writing sequence before enrolling in literature courses. Students are encouraged to keep course syllabi and a personal writing portfolio.
