**ASSOCIATE IN FINE ARTS DEGREE**  
**Transfer Program Worksheet**

*(Requirements effective for students enrolling at PSC Summer 2011 and thereafter)*

---

The Associate in Fine Arts degree (AFA) is designed to prepare students to transfer as juniors into a bachelor's degree program (BFA) in Studio Art. Students are encouraged to complete their core courses in Art before enrolling in media-specific studio courses. A portfolio is usually required for transfer to a four-year institution. Students are strongly encouraged to consult their instructors and with counselors and advisors in the PSC Counseling and Advising Center (or with the university where they expect to transfer) for information regarding the most appropriate courses to take while at Prairie State College.

---

**PSC GRADUATION REQUIREMENTS FOR THE AFA DEGREE:**

- \_\_\_\_\_ 1. Successfully **completed at least 15 semester hours of credit at Prairie State College** (excluding proficiency credit).
- \_\_\_\_\_ 2. Completed 62 semester hours of college credit as specified in the AA/AS degree requirements, including the Transferable General Education Core Curriculum of 37-41 credits.
- \_\_\_\_\_ 3. Attained a minimum cumulative Grade Point Average of 2.0 on a 4.0 scale in all Prairie State College Courses. **CURRENT PSC CUMULATIVE GPA:** \_\_\_\_\_ after \_\_\_\_\_ credits.
- \_\_\_\_\_ 4. Filed the appropriate evidence of high school graduation or GED certificate in the Office of Enrollment Services.
- \_\_\_\_\_ 5. File a **Graduation Petition Form**, and pay the **\$20 Graduation Fee**, in the Office of Enrollment Services.  
**Deadline for Filing:** October 1st for December graduation, March 1st for May graduation, July 1st for August graduation. *(December, May & August candidates may choose to participate in the annual May Commencement Ceremony. Deadline to apply for ceremony is March 1<sup>st</sup>)*

---

*Please note:*

**DUAL DEGREE GRADUATION REQUIREMENT:** Students who wish to receive both the Associate of Arts and the Associate of Science degrees must complete an additional 12 credit hours in the second concentration area that is selected.

**REQUEST FOR ALTERATION OF GRADUATION REQUIREMENTS:** Any petition for alteration of graduation requirements must be submitted to the Office of Enrollment Services on a Student Appeal Form **at least one semester prior to graduation.**

**FOREIGN LANGUAGE REQUIREMENTS:** While few baccalaureate institutions require a foreign language in their campus-wide general education requirements, competency through two, three, or four college semesters (or high school equivalent) in a single foreign/second language is required for the Bachelors degree at some universities. Thus, community college students who intend to transfer should plan to complete the foreign language courses required by their intended institution prior to transferring.

**U.S. AND STATE OF ILLINOIS CONSTITUTION REQUIREMENTS:** As of October 2008, PSC no longer requires the constitution proficiencies to graduate with an Associate's degree. However, some baccalaureate institutions may still require them. Students can fulfill these requirements by taking POLSC 140 or POLSC 152.
