

NAME: _____

I.D.# _____

2010-11
GAME DESIGN & DEVELOPMENT
Certificate

Game design and development is a rapidly growing field that produces a wide variety of jobs. The program offers students the ability to explore different facets of the industry, as well as other digital entertainment and educational areas. This program combines current technology skills with art, design, writing and programming.

PARTNERSHIP PROGRAMS: Prairie State has partnerships with Microsoft Academic Alliance, Comp TIA, and CIW and is a Prometric Testing Center. For further information visit the website at: tech.prairiestate.edu.

SIGNATURE: Counselor or Advisor or Faculty Advisor

This is an UNOFFICIAL evaluation. Official Evaluations must be requested in the Office of Enrollment Services.

TIME LIMITS ON PREVIOUS COURSES IN THE INFORMATION TECHNOLOGY DEPARTMENT:

- Due to the rapid change of technology in these fields, there is a five year time limit on applying courses with ITAPP, ITNET, ITPRG, ITOFS, ITWEB prefixes to this program
- Any courses with these prefixes that are over 5 years old must have approval of the department chairperson before they can be counted toward this degree. For further information, consult with the Transcript Evaluator in the Office of Enrollment Services.

PROFICIENCY TESTING/ALTERNATIVE CREDIT METHODS

Students interested in testing out of courses in this program should consult the Information Technology Department Chairperson, the Program Coordinator, or the Counseling and Advising Center for further information about the alternative credit process.

IMPORTANT PSC GRADUATION POLICIES

- If the degree or certificate requirements are changed during your continuous attendance, you may elect to satisfy either the new requirements or the ones in force when you enrolled.
- If you withdraw from Prairie State College for either a fall or spring semester, you must satisfy requirements in force at the time you re-enroll.
- Requests for COURSE SUBSTITUTIONS** in the program must be directed to the Program Coordinator. A Course Substitution Form must be signed by the Program Coordinator and submitted to the Office of Enrollment Services at least one semester prior to graduation.
- Petitions for alteration of other graduation requirements must be submitted on a Student Appeal Form at least one semester prior to graduation.

DIVISION OF CAREER & TECHNICAL EDUCATION
